### Graphic Designing Studio

MCE has experienced design professionals on staff that can help you bring a new level of quality to your project – whatever it might be. Let's work together to create a design that puts your company and services in the best light possible!

### Digital Color Printing

**Digital Colour Press:** Our digital color presses allow us to deliver the fastest service at the lowest prices. Our digital presses can handle over 6,000 impressions each per hour and a wide variety of paper stock including 12pt coated card.

### Digital Large Format Prints

We offer a range of services in wide format printing with capabilities to output your designs 52" wide and on a variety of media including, but not limited to:

- Gloss or Semi-gloss Paper • Vinyl • Canvas • Duratrans • Duraflex
- Duraclear • Lenticulars • Day/Night Material •

This is perfect for banners, signs, training presentations, corporate functions, trade shows, seminars, kiosk displays, billboards, courtroom exhibits and other special events.

## Embroidery

We also offer colour separations films for all your printing process ranging from as smaller as A6 film size to A1 films size. MCE will partner with you to have the best results, accurate and very good chemical balanced for your straight results

## T shirt printing

Screen-printed T-shirts are printed using a sort of stencil that is attached to a silk screen. The stencil is laid over the shirt and ink is run over top of it. When the stencil is removed, the image is left on the shirt. Screen printing multiple colors means waiting for each color to dry before moving on to the next color, so the wait time can be extensive. It can be expensive to create a custom screen-printed shirt because the printer must create a custom stencil. Screen-printed shirts will usually last for years, despite multiple

## ID Card Printing

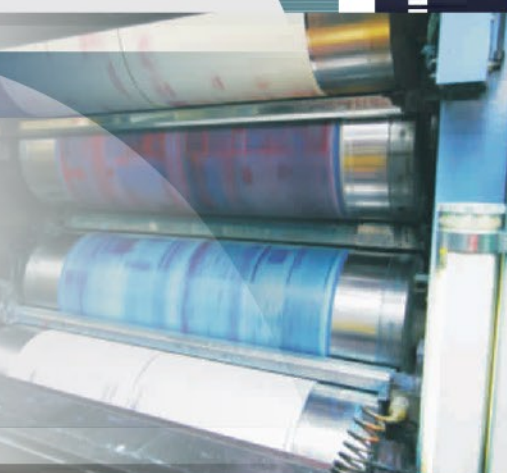

We print on PVC material for your security ID's and for door slotting-opening

## Offset Printing (Litho)

Whether your project is a one page memo or a 4 color brochure, let us show you exactly what quality service really means. Our traditional offset presses run 1 to 4 color . We accept digital files, film, or mechanicals and we offer matchprint proofs. We take pride in effectively satisfying the needs of demanding professionals and top executives at corporations such as you.
